ONE TOUCH

TOUCH DNA

One Touch		
#7001 DNA Rescue Kit: Touch DNA	<p>Evidence: handled objects, tools, firearms, unfired rounds, zipper pulls, IEDs, anything with no evident body fluid stains</p> <p>- pre-PCR: 20 x purification columns ProK, collection lysis buffer, spin baskets, collection tubes, full protocol</p> <p>-post-PCR: Amplicon RX, 20 columns, binding buffer</p>	500,00
		
#7002 DNA Rescue Kit: Fingerprint DNA	<p>Evidence: latent fingerprints identified with powders, dyes, fuming (not lifted) deposition or vacuum</p> <p>- pre-PCR: 20 x purification columns ProK, collection lysis buffer, spin baskets, collection tubes, full protocol</p> <p>-post-PCR: Amplicon RX, 20 columns, binding buffer</p>	500,00
		
#7003 DNA Rescue Kit: Adhesive DNA	<p>Evidence: duct tape, electrical tape, postage stamps, sticky tape, lifts</p> <p>- pre-PCR: 20 x purification columns ProK, collection lysis buffer, spin baskets, collection tubes, taming material (optional JJ chamber), full protocol</p> <p>-post-PCR: Amplicon RX, 20 columns, binding buffer</p>	700,00
		
#7004 DNA Rescue Kit: LCM DNA	<p>Evidence: dissected or isolated cells from sexual assault evidence- sperm or epithelial cells stained with Sperm HY-LITER, Zeiss PALM, MMI or Aureka</p> <p>- pre-PCR: 20 x purification columns ProK, collection lysis buffer, spin baskets, collection tubes, full protocol</p> <p>-post-PCR: Amplicon RX, 20 columns, binding buffer</p>	500,00
		
#7005 Large DNA RESCUE Kit	<p>Comes with the 20 prePCR columns/20 postPCR columns and accessories used for touch, fingerprints and adhesive evidence - includes 20 JJ lysis chambers, taming material, IFI lift cards</p>	750,00

ONE TOUCH TOUCH DNA

One Touch		
#7001 DNA Rescue Kit: Touch DNA Validation Kit	Evidence: handled objects, tools, firearms, unfired DNA Rescue Kit for Touch – 20 prePCR X's columns/20 postPCR Amplicon Rx columns with specific accessories for touch samples	250,00
#7002 DNA Rescue Kit: Fingerprint DNA Validation Kit	DNA Rescue Kit for Fingerprints – 20 prePCR X's columns/20 postPCR Amplicon Rx columns with specific accessories for unlifted fingerprints	250,00
#7003 DNA Rescue Kit: Adhesive DNA Validation Kit	DNA Rescue Kit for Adhesives - 20 prePCR X's columns/20 postPCR Amplicon Rx columns with specific accessories, taming material and 20 lysis chambers	350,00
#7004 DNA Rescue Kit: LCM DNA Validation Kit	DNA Rescue Kit for LCM - 20 prePCR mini X's columns/20 postPCR Amplicon Rx columns with specific accessories for LCM	250,00
#7004 DNA Rescue Kit: LCM DNA Validation Kit	Large DNA RESCUE Kit - Comes with the 20 prePCR columns/20 postPCR columns and accessories used for touch, fingerprints and adhesive evidence - includes 20 JJ lysis chambers, taming material, IFI lift cards	375,00
#7001-small	10 prePCR columns/10 postPCR columns and accessories	250
#7002-small	10 prePCR columns/10 postPCR columns and accessories	250
#7003-small	10 prePCR columns/10 postPCR columns and accessories - includes 10 adhesive lysis chambers and taming material	350
#7004-small	10 prePCR columns/10 postPCR columns and accessories	250
#7005-small	Half kit - 10 prePCR columns/10 postPCR columns and accessories for touch, fingerprints, adhesives - includes 10 adhesive lysis chambers, taming material, IFI lift cards	375
#7001-small-Validation Kit	10 prePCR columns/10 postPCR columns and accessories	125
#7002-small-Validation Kit	10 prePCR columns/10 postPCR columns and accessories	125
#7003-small-Validation Kit	10 prePCR columns/10 postPCR columns and accessories - includes 10 adhesive lysis chambers and taming material	175
#7004-small-Validation Kit	10 prePCR columns/10 postPCR columns and accessories	125
#7005-small-Validation Kit	Half kit - 10 prePCR columns/10 postPCR columns and accessories for touch, fingerprints, adhesives - includes 10 adhesive lysis chambers, taming material, IFI lift cards	187,50
#7003-JJ	10 JJ lysis chambers and taming material	100,00
#7002-LC	20 IFI lift cards	50,00
